Thanks Rob, sorry for the late reply. I am actually out of the office today. I plan to follow up with Keith one last time when I am in and will get back to you in the next day or two. Sorry for the delay on this.

Hi Jamey: I hope this finds you well. Thank you again for considering our request to share your comments and the draft Water Management Plan if appropriate. This can be viewed as a form of Technical Assistance from EPA to NVT; as NVT and NARF will surely learn from the draft comments. Thank you
